## YMCA Preschool @ Liverpool Registration 2017-2018

Our preschool at the North Area Family YMCA is an excellent place for your child to have a diversity of learning experiences. Our Philosophy is to encourage your child's individual development to the fullest through activities that build a healthy spirit, mind, and body.

### Program Goals

Our teachers develop a program which implements the following objectives:

- Provide a creative and stimulating learning environment
- Build your child's self-esteem
- Develop and nurture positive attitudes towards fitness, nutrition, personal health, and hygiene habits
- Meet the emotional, physical, and intellectual needs of your child

### Our YMCA Preschool Teachers

Our teachers are well-trained, with many years of experience in an early childhood education setting. Each teacher attends workshops to learn and develop new techniques to educate your preschool child. They are caring, energetic, and nurturing. Our class ratios are 1:8 in the four-year old class and 1:6 in the three-year old class. Your child is our top priority at our school.

### Schedule

\*Our program follows the North Syracuse School District academic calendar.

### Fee Schedule

Our YMCA Preschool program starts Monday, September 11, 2017 and runs through Friday, June 8, 2018. Payments are due on the **first day of the month**. Our fee is based on total days in the program divided equally into 10 monthly payments. The rate does not change during vacation months or class cancelations due to bad weather.

### Enrollment

Our program is designed for children ages 3-5 years of age. Registrations may be done in person or by mailing in this form with proper payment in order to fill your spot. It is on a first-come, first-served basis until the classroom is filled. At that time, a wait-list is started in the same fashion.
