Week 7: August 7-11

Did you Know?...

The park's glacial lakes were formed at the end of the last ice age - about 15,000 years ago!

Week 7: Time Travelers

Welcome to week 7 of Summer and week 6 of Green Lakes Camp! Last week we had our Wacky Olympics! We learned about team work and being a good sport. This week we will be traveling to the past and thinking of what is to come in the future! Will there be flying cars? Will we be living on Mars?! Don't forget every Friday we will be visiting the snack shack!

The bus will be departing the East Y each morning at 8:45! Please make sure you arrive in time! If you are running late please call the SACC Room to see if we are still there: (315)637-2025 ext 228. Or try our Camp Phone at (315)857-6121.
