# MAKE IT YOUR Y DAY

## Homeschool Programs

YMCA OF GREATER SYRACUSE

# An active, balanced curriculum for your homeschool family.

Bring the whole family to explore, connect with other families and try something new! Our programs are designed to fit your needs as a homeschool household. We now offer a variety of programs during the day to engage kids of all ages in arts, sports, swimming and more!

## Exclusive and convenient

Classes are offered at the East, North and Downtown branches and at no cost to school-aged kids who are Family Members\*. Don't have a Family Membership? Stop by any YMCA of Greater Syracuse branch or visit our website to get started.

\*Some programs require a minimal fee.

## What else is included in my Family Membership?

- Academic Support and Enrichment. Our experienced, certified instructors provide group instruction in mathematics, the sciences, language arts and social studies.
- Access to youth sports leagues.
- Swim lessons for the whole family.
- Prime Time and Prime Time Plus. Did you know you can work out for up to 2 hours while your child can play, socialize and have fun in our PrimeTime area at the East and North branches? And for a small fee at the East Y, you have the option to drop off your child and leave the building, so that you can run some errands or get that extra needed "me" time at a reasonable cost.
- Public wifi available to meet your educational needs.

## Customized programs

Don't see what you're looking for? We can tailor a program to your needs and goals. Please call the branch's contact for more information.
