Prime Time Plus allows children to use Prime Time while their parents leave the building. Children signed up for Prime Time Plus will be checked into the Family Prime Time Center and given a pink bracelet. These children will interact with other Prime Time children and enjoy the same activities. Children will be taken out of Prime Time at their designated snack time to enjoy their tasty treats packed from home. Please note: snack will be served at 10:30am. If your child is enrolled in a program during snack time, they will not be able to make up snack time. Please send children with sneakers, an extra change of clothes, and a quick, easy, healthy snack.

**\*Program Refund Policy\***

Refunds will be issued if notice is given within three business days prior to the start date of the program. Once the program has started there will be no refunds issued. All refunds must be made through the director of the program. Please see the Program Guide for more information.
