## FITNESS NORTHWEST FAMILY YMCA

### **BARRE** (barefoot/sock class)

A modern, challenging and safe barre class that sculpts your body while providing a calorie-burning cardio workout set to an up-tempo fun mix of music. This class targets specific muscle groups through repetitive movements. It incorporates weights, therabands, exercise ball, and the ballet barre to build core strength while developing long, lean, flexible muscles. Participants may go barefoot or wear socks. Mats are provided; however you are encouraged to bring your own if you prefer.

### **BOX TNT (BOX BOOTCAMP)**

Join this explosive class that combines kickboxing and boot camp into one great workout. This class will have you kicking, punching and challenging yourself to a fitter you.

### **CARDIO KICKBOXING**

This high-intensity, high energy class incorporates an interval training routine with kicks, jabs and punches with short bursts of moderate to high-intensity cardio moves.

### **CIRCUIT TRAINING**

A high intensity aerobics mix with resistance training. Circuit training is based on the time between exercises, as well as short and rapid movement. It is easy to follow and targets strength-building as well as muscular endurance.

### **EXPRESS BARRE** (barefoot/sock class)

This class provides the same challenging workout as our regular Barre class but in a 40 minute format.

### **H.I.I.T**

High intensity interval training. Cardio and strength training intervals combine for a total body workout. Equipment varies.

### **LES MILLS BODYCOMBAT™**

(ages 12+)

This fiercely energetic program is inspired by martial arts and draws from a wide array of disciplines such as karate, boxing, taekwondo, tai chi and muay thai. Supported by driving music, you strike, punch, kick and kata your way through calories to superior cardio fitness. Like all Les Mills™ programs, a new BODYCOMBAT™ class is produced every 3 months with fresh music and choreography.

### **LES MILLS CX WORKS™**

(ages 12+)

This class activates a key ingredient for a healthier body—your core. Every move in CX Works has options, making it challenging, but achievable for your personal fitness level. Trained instructors guide your technique as you work with resistance tubes, weight plates and body weight exercises. Every workout is designed to strengthen your abs, hips, glutes, and lower back.

### **PIYO ® LIVE (barefoot class)**

Combines the muscle-sculpting, core-firming benefits of Pilates with the strength and flexibility of flowing yoga movements. You'll use your body weight to perform a series of continual targeted moves to define every muscle in your body.

### **R.I.P.P.E.D**

Strength/Stamina-Resistance-Intervals-Plyometrics-Power-Endurance. Combine these components together into one full body workout class.

### **STEP**

Emphasis on basic step movements and combinations. This class is designed for all levels of fitness and does not require any prior step or aerobic experience.

### **STEP INTERVAL**

This class uses timed segments to alternate between aerobic and muscle conditioning activities. Class will feature accessories including hand weights, resistance bands and balls, and—of course—adjustable steps.

### **TOTAL BODY STRENGTH**

Simple yet challenging movements utilizing barbells, free weights and a variety of other equipment that can be adjusted for your fitness level. Instructor will use movements that are simple to ensure safety and effectiveness. This class will target all major muscle groups.

### **ZUMBA ®**

(ages 12+)

Instructor will lead you through a variety of Latin and international dance moves. Great music and motivating “party” atmosphere. This is a cardio class

### **ZUMBA ® TONING**

(ages 12+)

This is the original dance fitness class taken to the next level. An innovative muscle training program with the addition of light weights or toning sticks. This class will help build coordination and muscle endurance.

**ALL of our Group Fitness Classes are FREE for members.**
