All participants must be 8 years of age or older
And must be 4'11" or taller for cycle classes

Advanced Cycling: Take your cycle ride to the next level with this motivating class! Rides will be challenged with extreme intervals and techniques during this intense ride.

Cycle: Indoor cycling classes are exciting and designed to improve your overall cardiovascular endurance. All levels of fitness are welcome.

Cycle 60: This is a challenging class that bumps up your cardio work-out to 60 full minutes on the bike.

Cycle 101: Learn how to set up on the bike, and the fundamentals of indoor cycling. Get comfortable with the bike and terminology, then progress to other classes on the schedule.

Ride & Ripped: Get your full day's cardio and strength all in one. Cycle for 45 minutes and then move on to 30-40 minutes of strength conditioning that is designed to increase muscle endurance and sculpt one's entire body! A variety of weightlifting equipment and techniques are incorporated.
